About

Hi, I'm Andrea! If I had to describe myself in one sentence I would use this: **"I don't take myself too seriously but everything I do, I do it seriously"**. I have the ambition to find a place where I can **improve my skills** and have the opportunity to **meet more experienced people** who share my same interests. Today I am a **Junior UX/UI Designer**, specialized both in the study of **User Experience** and in the creation of **User-Centered Interfaces**.
